

Cheshire & Merseyside workshop for the delivery of better Atrial Fibrillation (AF) Care

Thursday 28th November, 2019

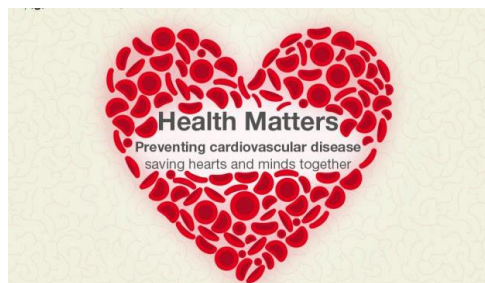

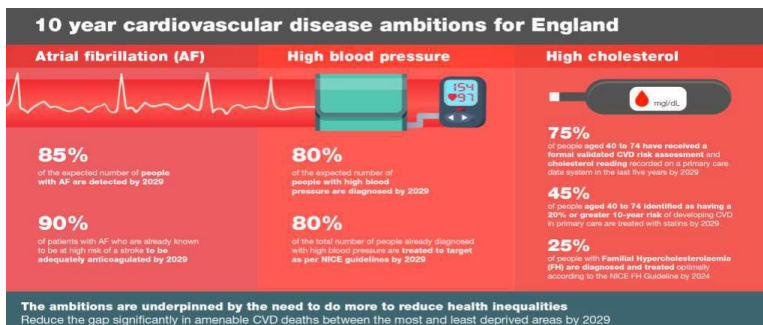

Venue: Holiday Inn Runcorn, Wood Lane, WA7 3HA

Time 9am – 12.15pm with lunch then provided

The aim of the event is to support clinicians within Primary Care to improve the management of patients with AF. You will hear from local and national experts within AF. The event will cover four topics; Prevent, Detect, Protect & Perfect.

You will be provided with resources to use in practice to support the management of patients and have the opportunity to hear about the latest thinking around screening, anti-coagulation, hot slot clinics and how to stop multiple admissions.

The event is aimed at;
Primary Care Network Clinical Directors, Clinical CVD Leads & Commissioners within CCGs, Medical Directors, Community Pharmacists and Practice Nurses with an interest in AF.

To register for this event please email:
